## Post Operative Follow-Up

Please follow these instructions carefully to ensure a timely and effective follow-up to your surgical care.

1. Call our office at 941-917-8525 to schedule your appointment.
2. **Obtain Radiology Imaging (X-Ray, etc.) prior to your appointment.** X-rays are required to be **completed within 3 days of your appointment.** The physician order will already be in the Sarasota Memorial system.
  - ◆ X-rays are required for all post-operative appointments unless noted otherwise.
  - ◆ To schedule an appointment in Radiology, contact patient scheduling at 941-917-7322.
  - ◆ The Waldemere Medical Plaza location does have x-ray available, but appointments are limited and must be scheduled in advance.
3. During your post operative visits, please be advised you may be seen by one of our Orthopedic Trauma Team Physician Assistants.
4. During your post operative visits, you may be prescribed pain medication. Please allow 24-48 hours for all prescriptions to be filled. This also applies to any medicinal refill requests.
