

MoviPrep Colonoscopy Prep Procedure After Noon

Bowel Preparation Instructions

The day before your colonoscopy, diet is to consist of CLEAR LIQUIDS ONLY (no solid food).

- Do not consume liquids that are red or purple in color. Do not consume milk products or juices with pulp. Clear liquids include water, black coffee, tea, apple juice, white grape or cranberry juice, lemonade, sports drinks (Gatorade, PowerAde, etc.), clear beef, chicken or vegetable broth, Jell-O, popsicles, frozen sorbet, or Italian ice. Alcoholic beverages are not permitted.
- **The day before your procedure, at 8:00AM:**
 - Prepare the prep solution according to the package instructions included in your prep kit.
 - The MoviPrep solution kit comes with a container that is divided by four (4) markers. Each marker is equal to 8-ounces worth of fluid.
- **The evening before your procedure, at 7:00PM:**
 - Consume one (1) 8-ounce glass of Moviprep solution every 15 minutes until the entire liter is complete. This should be followed by one (1) 16-ounce cup of clear liquid.
- **The morning of your procedure, at 5:00AM:**
 - Consume one (1) 8-ounce glass of prep solution every 15 minutes until the entire liter is complete. This should be followed by one (1) 16-ounce cup of clear liquid.
- You may continue to consume clear liquids until four (4) hours before your procedure time. In all circumstances, consume nothing further by mouth within four (4) hours of your procedure time except for a sip of water for necessary medications.

Contact the on-call Gastroenterologist at 941-262-0400 if any problems arise during the bowel preparation process.
